

The Macrohistory Lab is looking for one

Research Assistant (15h/week).

Our research group under the direction of Prof. Moritz Schularick focuses on macroeconomic and financial history of the 19th and 20th century. The project the RA will work on deals with the economic recovery in 1930s Germany.

Applicants should be in the middle of their Bachelor's degree or in their Master's degree in economics or history and have shown above-average performance in their studies. They should be highly motivated to work with quantitative data in a team environment. Good communication and writing skills in English and German are required. Knowledge of Stata, R and/or Python is desirable. Knowledge of Geographic Information System (GIS) softwares is an advantage. The appointment will begin on July 1, 2021, or soon thereafter.

To apply for this position, please send the following documents by email in a single pdf file to macrohistory@uni-bonn.de

- Curriculum vitae
- Copies of your academic degrees or transcripts

Applications that arrive before May 31, 2021 will be given full consideration, but applications will be reviewed until the position is filled. The University of Bonn is an equal opportunities employer. Preference will be given to suitably qualified women or persons with disabilities, if all other aspects are equal.
